Future US, Inc - Accessibility Statement

Future US LLC (Future) is committed to providing an accessible experience to our customers and the public, regardless of disability status. Please contact accessibility@futurenet.com to learn more about accessibility support services at Future.

**Reasonable Accommodations**
Individuals who need a reasonable accommodation to access Future's services and information should send an email to accessibility@futurenet.com to provide information about the nature of the requested accommodation. Requesters should include contact information such as an email address or telephone number at which they can be reached. Depending on the nature of the request, Future may need sufficient notice to provide a reasonable accommodation.

**Online Accessibility**
Future strives to provide an accessible digital experience for our users. In the event that a user with a disability experiences accessibility issues with our website or other products and services, please notify us by sending an email to accessibility@futurenet.com. In your communication to us, please specify the nature of the accessibility difficulty, including the web address (or other product or service) that may have presented an accessibility challenge.

**iOS Mobile Applications**
Future's mobile applications do not currently support the accessibility features included with iOS. If you require an accessible version of one of Future's digital magazine publications, please subscribe via the Amazon Kindle app for iOS. For detailed instructions visit the Amazon Kindle support page [here](#). Further information about using VoiceOver with the Kindle app can be found [here](#).

**Third-Party Websites**
Future products and services may contain links to webpages hosted by third parties. Future does not make representations with regard to the accessibility of third-party websites and is not able to remediate accessibility barriers on such websites.

**Feedback**
We are always working to ensure that our products and services are accessible to all customers and the public, including individuals with disabilities. If you have an idea or question about accessibility support services at Future, please contact accessibility@futurenet.com.
